I am proud of their achievements, and I am sure you will enjoy your stay in this dynamic, colourful and cosmopolitan city.

**Chairman, Urban Council**

## Dear Fellow Jaycees

On behalf of all members of the Hong Kong Junior Chamber of Commerce, I wish to extend our warmest greetings to Jaycees around the world in this new year.

1993 poses great challenge for the Hong Kong Junior Chamber of Commerce as we start counting the days approaching the 48th JCI World Congress. We are proud to have the honour of hosting this annual extravaganze where Jaycees from all parts of the world gather to renew friendship, exchange business experience, evaluate past performances, identify training prospectus, and set fresh goals for furthering the purposes of the organization. The Congress Organizing Committee, under the flagship of one of our past presidents Senator Ng Leung Yau, has been working on the project since the Helsinki Congress. Courtesy visits to various NOMs and other promotional activities were carried out throughout 1992 & 1993 to publicize the coming Congress programme. We have received tremendous support from these NOMs and registrations piled up. This year, the Congress Organizing Committee has the full support of the NOM and all local chapters to boost the promotion campaign for the annual event as we are expecting a lot more registrations from overseas delegates this time.

Fellow Jaycees, you have my word that the Hong Kong Congress is going to be an exciting experience for all. Both myself and members of the Hong Kong Junior Chamber of Commerce are looking forward to greeting you in person in November. Grab the chance now before it is too late because November is the peak season of the year for travelling to Hong Kong, an enchanting city in South-Eastern Asia.
