Junior Chamber International (JCI), Inc.

Fellow Jaycees,

It gives me great pleasure to welcome you to the vibrant city of Hong Kong for our 48th JCI World Congress. I hope to have the opportunity to greet you personally during your stay.

Our dedicated Congress Organizing Committee members are working extremely hard to ensure you a memorable and enjoyable World Congress.

I am sure you will be received with warm hospitality by the friendly Hong Kong Jaycees and the people of this unique and colourful place.

Please do come and discover for yourselves why Hong Kong is Asia's most popular travel destination and a magnificent city. It has a unique blend of East and West, tradition and innovation, and old-world charm and modern sophistication. Hong Kong is an ideal place for business and leisure.

Ng Leung Yau
Congress Director
1993 JCI Hong Kong Congress

WELCOME!

Dear Fellow Jaycees,

On behalf of all members of the Hong Kong Junior Chamber of Commerce, I wish to extend my warmest greetings to Jaycees around the world in this new year.

1993 poses great challenge for the Hong Kong Junior Chamber of Commerce as we start counting the days approaching the 48th JCI World Congress. We are proud to have the honor of hosting this annual extravaganza where Jaycees from all parts of the world gather to renew friendship, exchange business experiences, evaluate past performances, identify training prospects, and set fresh goals for furthering the purposes of the organization. The Congress Organizing Committee, under the leadership of one of our past presidents, Senator Ng Leung Yau, has been working on the project since the Helsinki Congress. Courtesy visits to various NOMs and other promotional activities were carried out throughout 1992 and 1993 to publicize the coming Congress program. We have received tremendous support from these NOMs. The Congress Organizing Committee has the full support of the NOM and all local chapters to boost the promotion campaign for the annual event, as we are expecting a large attendance by overseas delegates.

Fellow Jaycees, you have my word that the Hong Kong Congress is going to be an exciting experience for all. Both myself and members of the Hong Kong Junior Chamber of Commerce are looking forward to greeting you in person in November. Grab the chance now before it is too late, because November is the peak season the year for travelling to Hong Kong, an enchanting city in southeast Asia.

George Lung
National President
Hong Kong Junior Chamber of Commerce

It gives me great pleasure as the Chairman of Hong Kong's Urban Council to welcome you to come in November 1993 to our beautiful city we proudly call the "Pearl of the Orient."

The 400,000 members of Junior Chamber International have made significant contributions to their respective communities all over the world. Here in Hong Kong the Junior Chamber of Commerce has established itself as an outstanding young leaders organization. I am proud of their achievements, and I am sure you will enjoy your stay in this dynamic, colorful and cosmopolitan city.

May I wish the Organizing Committee of the 1993 JCI Hong Kong Congress every success.

Ronald Leung Ding Bong, OBE, JP
Chairman, Urban Council
