We believe:
That faith in God gives meaning
and purpose to human life;
That the brotherhood of man
transcends the sovereignty of nations;
That economic justice can best be won
by free men through free enterprise;
That government should be of laws
rather than of men;
That earth's great treasure
lies in human personality;
And that service to humanity
is the best work of life.

It is most gratifying to be able to celebrate the Golden Anniversary of any successful organization. Such is also the case with the Victoria Junior Chamber Limited. Its first members formed the inaugural Hong Kong Junior Chamber when it was a single unit. Local chapters (LOMS) were set up subsequently.

The Chamber has a proud record of achievement to draw strength from for your present activities and even more so to reach greater success in the years ahead.

I congratulate all Members and send them and their families my best wishes for every success and happiness in all they do.

It is my great pleasure to extend my warm welcome to you on the occasion of the 50th Anniversary celebration of Victoria Junior Chamber. It is indeed our great honor to have Mr. H.T. Lui, JP, Acting Director of Home Affairs to be the Guest of Honor of this event.

For fifty years, Victoria Junior Chamber has provided many opportunities for young men and women to develop their leadership skills social responsibility. Over the years, many projects were carried out to serve the need of the community.

This year also marks the 50th Anniversary of Jaycee movement in Hong Kong. As the very first chapter of the Jaycee family in Hong Kong, we have witnessed the growth and development of the Jaycee movement in Hong Kong, from just one chapter in 1964 to eighteen chapters with over 1,200 members today. As a member, I should be grateful to the people who brought the Jaycee organization to Hong Kong. As Chapter President, I would like to thank my predecessors for their contribution to our Chapter in the past.

Besides from looking back at our great achievements over the years, this Golden Anniversary celebration is also a good chance to look ahead. Our organization is about leadership training and self-development. In today's rapidly changing society, this kind of training & development becomes more important to our members.

I would like to thank Ball Chairman Benny Lam and his organizing committee for their hard work in the past few months in preparing this event.

I wish you all an enjoyable and memorable evening.

# Message from JCI President

As Junior Chamber International President, it is my great pleasure to greet the members of Victoria Junior Chamber of Hong Kong, China on the occasion of their 50th Anniversary, to be held on May 13th, 2000. You know how meaningful this 50th year is, concurrently taking place in the year 2000. You must all be proud of your glorious past and the membership accomplishments to date. It is now your responsibility to foster new growth. Congratulations once again.

2000 sees the dawn of a new era, a new age, a new century. What do we want to achieve that will set the foundations for this new and third millennium.

Junior Chamber members - we must seize every opportunity to articulate the vision of our founder. But we must dream with our eyes open, and ensure that our message inspires action!

We can talk about many things, but what is truly important is what we do.

What is truly important is our Attitude - it speaks more than a thousand words - it communicates who we are, what we believe in, what we stand for and is the very best method of ensuring that Junior Chamber reaches new heights in this new era.

It is the responsibility of each and every one of us. Every important development in the world began with a dream in a heart. The future should not belong in the hands of others - our future belongs in our hands and we must determine it starting today. Today's actions are tomorrow's history!

I wish you a year of "significant" progress - it's not all about success, but making sure that what we accomplish is significant.

It takes Attitude - and a great deal of it - for Attitude does determine Altitude - we are what we think and we will reach what we aim for. It is up to us as individuals and an organization to have the attitude to push the perimeters in 2000 aim higher than ever before and move up to the next challenge, the next level. We are good, but we can be better - success is never final. I am proud to be your President and look forward to working with you throughout this new year to ensure *our Attitude Determines our Altitude!!!!*

I look forward to seeing you all in Kaohsiung ASPAC Conference.

Kind regards

## Victoria Junior Chamber

Time flies, it is already Year 2000. I am very glad that I had been the President of Hong Kong Junior Chamber in 1951. In here, I learnt a lot in leadership and organizing, and gained friendship and experience through the sharing of others during the process in organizing projects and functions.

I would like to congratulate to all the present and past members for Victoria's Golden Anniversary and sincerely hope that Victoria will have a better future after entering the new Millennium.

I am acutely aware that I was very fortunate to have accepted to become a member of the Junior Chamber of Commerce five decades ago. Since then, as a Jaycee, I learned how to organize projects and functions, gained valuable experience in serving those less fortunate and, in the process, made lasting friendship with fellow Jaycees the world over.

I congratulate the current members of the Victoria Junior Chamber on the 50th Anniversary of their Chapters, compliment all those who worked and served before them and wish the Junior Chamber continued success in all its endeavors.

## 1962 President
## Victoria Junior Chamber

1950 appears to be a long way back especially to all present active members of the Victoria Junior Chamber. To the older generations, the exhausted roaster, it was a pleasant memory of the days when the first Chapter was first established.

Junior Chambers around the world are well known to be the excellent training ground for young people to prepare themselves to serve the community and the world for the betterment of human beings of all races, culture and creed. Indeed this is true of the Victoria Junior Chamber when the Hong Kong Junior Chamber expanded and Victoria inherited by geographical demarcation the first Chapter in Hong Kong.

Victoria, following the traditional Junior Chamber performance, cultured many leaders now serving in various capacities in the community.

On this happy occasion of the Golden Anniversary of the Victoria Junior Chamber, I offer my heartiest and most sincere congratulations to all past and present members. May the Chamber prosper under the Hong Kong Junior Chamber in the new millennium.

It is with much pleasure that I extend to the Victoria Junior Chamber my warmest congratulations on the occasion of its 50th Anniversary.

## Victoria Junior Chamber

It was on March 24, 1966 that *Hong Kong Junior Chamber of Commerce* changed its name to *Victoria Junior Chamber of Commerce*. We have witnessed the Jaycee movement in Hong Kong grown from a single chapter chamber in 1964 to an eighteen-chapter chamber today. I am delighted to also witness the Golden Anniversary of this organization.

Over the years, Victoria Junior Chamber has provided the opportunities for young people to obtain leadership training and to improve themselves to be a better person.

MAY THE VICTORIA JUNIOR CHAMBER FLOURISH AND SUCCEED IN ALL ITS PROJECTS!

# Message from Past Presidents

## 1974 President
## Victoria Junior Chamber

It gives me great pleasure to write a message on the occasion of the 50th Anniversary of the Victoria Junior Chamber in the year of 2000.

Fifty years of outstanding leadership training to the members and dedicated services to the community are definitely not easy to achieve. Throughout all these long years, I have witnessed the growth of our Chapter both in membership, fellowship and through the areas of opportunities. The number of service projects, either big or small, for the community was just innumerable. It is no doubt that the spirit and the objective of Jaycees, "**LEADERSHIP TRAINING THROUGH COMMUNITY SERVICE**" has been maintained by each of the members.

I considered myself honored to be accepted as a member of the Victoria Chapter in 1968 and was elected as president in 1974 serving with a group of young men of around 65 members. I am indeed very proud to be associated with this Chapter as it had provided me with a great opportunity to learn to serve others, grew in many aspects and made many friends.
I wish to extend my best wishes to the Chapter for a most successful celebration and many more years of meaningful services to our community.

I wish to congratulate heartily on the 50th Anniversary of Victoria Junior Chamber.

This is indeed a memorable year for all Victorians. I have the privilege and honor to be associated with VJC since 1982. The experiences that I gained during my formative years at VJC certainly help me a lot in my career development. As a management scholar, I practice what I preach (or what JCI preaches.). I salute to all Victorians who contribute to the Jaycee Movement in Hong Kong in the last 50 years!

Throughout the past 50 years, the Victoria Jaycees has played a key role in the development of the Jaycee movement and the betterment of the community in Hong Kong.

This Golden Jubilee brings back fond memories of our good old days. While we reminisced about the glorious past, I am sure our organization will press on to the greater achievements of the future.

May I wish the Victoria Junior Chamber a memorable Anniversary and success in the years ahead.

I am already 50 years old! Yes, we're already 50 years old!

I enjoy writing messages because there are a lot of things I would like to share with everybody. Through my Jaycees and professional career, I have written all the messages and reports myself. Not everyone is well written; actually many of them are cliche.

This is from one of my 1994 messages, "many people have said, in life, most of the time we win some and lose some. As I always tell my wife, I believe the Jaycees circle is a miniature of our society. I think it's also true to say we win some and lose some. There are definitely many areas which require improvements. Yet I realize nothing ventured, nothing gained. It is more important to try, to try our very best than to give up the opportunities."

I still like it; I hope you like it too.

Best wishes to all Victorians and friends!

Being the pioneer in engineering the Jaycee movement in Hong Kong, the Victoria Jaycees has made significant contributions to the betterment of our community for half-a-century. It was only like yesterday!

I was going through my Jaycees files and records. Again and again, similar descriptions and the same things keep coming up. "It is not too difficult to imagine the tremendous efforts the members have made having to work voluntarily (after a busy day of work or business) for months and produce a series of programs which even professional organizers will envy. The members deserve much more than a round of applause."

Jaycees is a great organization and I am proud to be a member of Victoria.

Let's celebrate and keep up our good traditions!

It seems like yesterday. My Victorian passage, which began some fourteen years ago, has been one of the most gratifying experiences of my life.

This gratification comes from having the opportunity to make contributions, from learning the value of the self-development, and from developing lifetime friendships along the way. Victoria Junior Chamber will always have a special place in my heart.

In celebrating our 50th Anniversary, I would like to salute our founders for having the foresight to create an organization that has incubated generations of socially-responsible young people in our community. I extend my best wishes to President Vincent Chung and his Board of Directors for continuing to uphold our mission and beliefs and for guiding Victoria into the 21st century.

Celebrating the Golden Anniversary with my Mother Chapter VJC is one of the most memorable events in my life.

"50" to lots of people is just a mere figure, but to a charity organization, it means dedication, hard work & devotion of lots of members. It is never a smooth road to build this foundation but nonetheless we survive the hard time and evolve as one of the best leader training organization, serving the community & contributing to the betterment of the society.

Riding on this foundation. I wish our Victoria Chapter another 50 or even 100 more years of thrive & glory.

# Message from Ball Chairman

Edgar A. Guest says:

"There are thousands to tell you it cannot be done,
There are thousands to prophesy failure;
There are thousands to point out to you, one by one,
The dangers that wait to assail you.
But just buckle right in with a bit of a grin,
Then take off your coat and go to it;
Just start in to sing as you tackle the thing
That cannot be done, and you'll do it."

Although I forgot to grin, was too tired to sing when I tackle the thing organise VJC's 50th Anniversary Ball, I got it done with the help of many people.

I have to devote my whole-hearted gratefulness to VJC's past presidents and senior members. It is an extraordinary hard work to gather VJC's development in the past 50 years. But they tried their best to help me in this process. They responded with enthusiasm, provided relevant materials they possess, searched for photos they have and assisted in contacting members. I learnt from them that Victorians are helpful, patient, enthusiastic and dedicated. I am proud of them that they are the exemplars of JC world.

Taking up the post as the 50th Anniversary Ball Chairman is a memorable experience for me. I have a much better understanding of my own chapter. I have a clearer picture of VJC's history and its development, which helped me to strengthen my dedication to this organisation.

The event will not be a success without the support from our President Vincent Chung and my OC members, especially the time available for accomplish this project is only 100 days. A miracle is finally completed by concerted efforts.

Someone believes in these words: "success, if it is to be is up to me". But I believe: "success, if it is to be is up to all of us."

**Facts on Hong Kong Junior Chamber**

The Jaycees Movement reached Hong Kong in November 1949 with the arrival of a Philippine Jaycee John Ng who was the Special Liaison Officer of the Junior Chamber International 5th Congress charged with the mission of converting Hong Kong to Jayceeism. Through the introduction of his cousin, Mr. Alex Ng, a Jaycee Senator still, Mr. John Ng was presented to Rev. E. Bourke, former Director of Wah Yan College, Hong Kong. A meeting was then arranged for him to meet a group of young businessmen. During the meeting, Mr. John Ng's explanation of the aim and purpose of the Jaycee movement succeeded in firing the imagination of his audience.
