MESSAGE

by Mrs. S. K. Young, J. P.

President, Chinese Women Club

The Hong Kong Jayceettes is orgainizing a Fashion Show with dinner, to raise funds for their various Community Development and Education & Youth projects.

This organization has only established for two years, however, the membership has risen to a total of 42. Their good work includes a free Elementary Commercial Course in June, Christmas Party for Roof-Top School Children, visits to homes of mentally retarded and handicapped children (recently, they have sponsored two blind girls from the Ebenezer School and Home for the Blind), an Anti-Narcotic Essay Competition, Typing Competition and Leadership Development Seminar.

In order to meet the expenditure for their above activities, your support is therefore indispensable.

I feel greatly honoured to be associated to this worthwhile occasion, and may I take this opportunity to wish them every success in the future.

獻辭

香港女青商會，向稱熱心公益，福羣衆，這次舉行慈善餐舞會，籌募款項基金，實與其工作宗旨非常脗合。

成立至今只有兩年歷史的香港女青商會會員已有四十二人，過去兩年中，女青商會所從事之公益事宜，頗爲繁多，如每年六月舉辦免費商科訓練班，苦兒童聯歡會，探視及幫助低能或有缺憾兒童等。該會今年活動計劃按期舉辦商科訓練班及聖誕貧苦兒童聯歡會外，還舉辦反吸毒宣傳運動，特別舉辦反吸毒徵文比賽，以及參觀盲人院等，還特此外尚有打字比賽，青年領袖訓練研討會，以及參觀盲金錢，送給其中兩名逗人喜愛的女盲童，作爲補助該女童每月之書簿費，照上面的各項活動看來，費用自當不少，所有經費來源除來自會員首次籌募經費外，還舉行俾使能夠順利完成上述的各項活動。

這次女青商會進行這項公益計劃，本人能參與其事，至感榮幸。在此謹祝貴慈善時裝餐舞會籌款成功，早日完成善舉。

MESSAGE

"Leadership Training Through Community Service", our principal objective of Junior Chamber prompts us to implement the important program of 1971 — "Accent-on-Youth". Our projects this year, thus, focus towards these two directives.

While subscribing to the Jaycee Creed, every Jayceette is striving to offer her service to humanity. To enable us to fulfill the non-enforceable obligations of citizenship for the well being of the community, we need your continued support both morally and financially.

Your care and concern about the community and its youths is very well displayed by your encouraging response to our appeal and on behalf of those benefited directly or indirectly from your kind gesture, we express our gratitude.

I would also like to extend my congratulations to the chairman and all the members of the Fund Raising Committee for their hard work and strong cooperation to make this campaign a success.

My best wishes for a most enjoyable evening to you all.

MESSAGE

Once again the Jayceettes are working hard to help raising funds for their various worthwhile projects to the community of Hong Kong. This year the chapter has adopted quite a number of projects in both the categories of Ccmmunity Development Commission and Education & Youth Commission. In order to bring in the degree of success for these projects, our financial target this year comes up to $10,000 to $12,000. This target is the sum-up of the estimated budget for financing all our projects. In view of the time factor, we hope to obtain this huge target as quickly as possible.

I must say that we, the Committee, are very lucky in being able to make this function a success to a certain extent, as we have a very limited time schedule of 1½ months. The limited amount of time for preparation of this function was due to the fact that some of the members as well as myself have been away from the Colony for some time earlier this year and thus caused the delay. Of course, there were ups and downs during the whole preparation period. Nevertheless, the disappointments and setbacks couldn't discourage the enthusiasm of the Committee. On the other hand, these obstacles only help to drive the Committee on to subdue their hardships. At this point, I would like to thank the Committee for their co-operation and hardwork in organizing the function in all respect.

Appreciation is also extended to all those who participated in contributing to the success of this function. We are grateful that Mrs. S. K. Young has been so kind in accepting as our Patron. Our heart-felt thanks also goes to our four sponsors who have been very kind in giving us their full support. We are also happy to have a number of prominent people as our Honourable Advisers.

Acknowledgment and thanks also goes to our donors who have also taken part in making this project a success by donating their valuable products as prizes and gifts for our guests. Special thanks is extended to those who responded to our appeal and those who took actual participation in this function.

CHRISTMAS PARTY FOR ROOF-TOP CHILDREN

A Christmas Party is organised annually during Christmas time by the Hong Kong Jayceettes. Its aim is to enable the poor children to have fun during the festive season, so that they will find that there is still warmth in this world and they are not neglected by the society.

Children ranging from 10 to 12 years old were invited from different schools in the resettlement areas or roof-top schools. Most of them came from poor families. Programmes, such as, folk dance, songs, magic shows, Chirstmas carols, etc. were arranged to entertain them. Gifts of toys and food were distributed by the Santa Claus and refreshments were served. All these were donated by reputable business concerns and generous donors who offered their kind support and assistance to make this project a success.

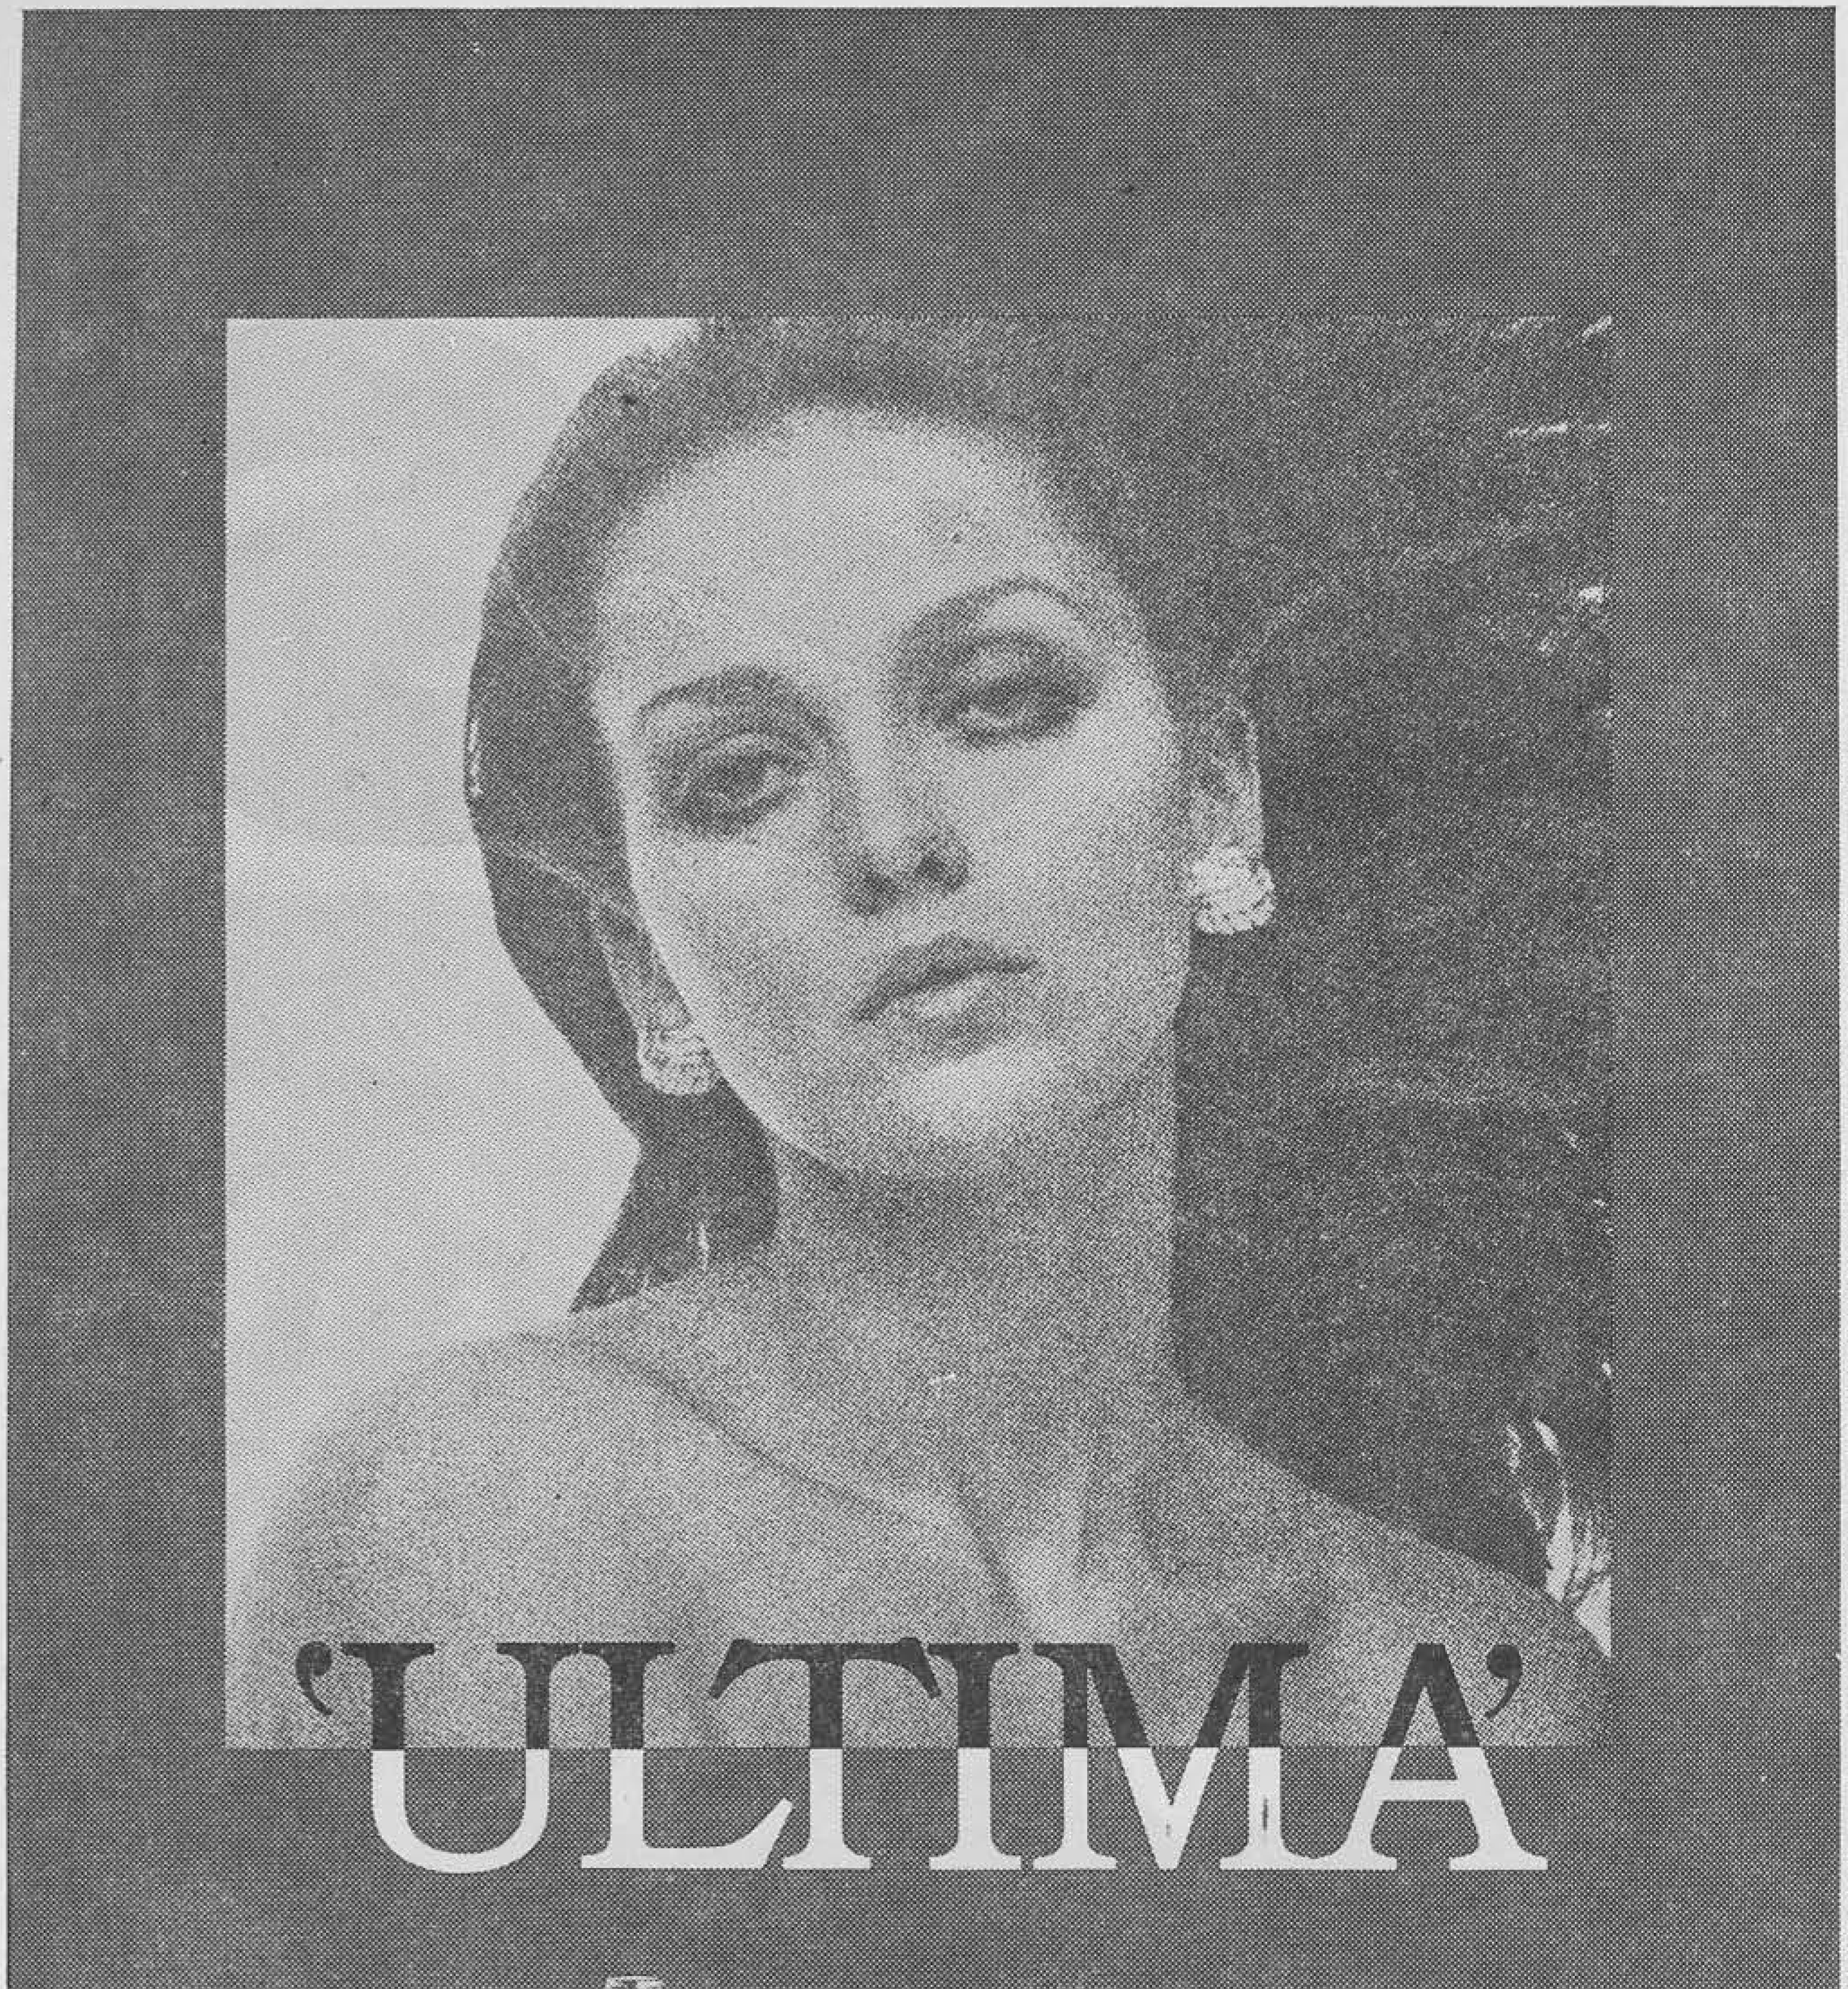

It will again be adopted as one of the projects in 1971 and will be held in a much larger scale than before.

ELEMENTARY COMMERCIAL COURSE

The Elementary Commercial Course is a non-profit making summer course which is offered to young female students who have just finished their secondary schooling to equip themselves with some basic commercial knowledge for their future employment. This project was run jointly with the Olivetti (Hong Kong) Ltd., for two years. Last year, numerous students applied to attend the course but, owing to the limited hands, only 90 students were enrolled in two classes. Lectures on Correspondence, Book-keeping, Secretarial Practice and Typewriting were given within a duration of 10 weeks. Examinations on these subjects were given on the last week and certificates were issued to those who had passed.

The project was a very rewarding one for both the students and the Jayceettes. An award for the best Education and Youth Activity project was granted at our National Convention 1970, and in April 1971. At the Singapore Regional Conference, the Elementary Commercial Course was able to win the most outstanding Education and Youth Activity project again.

Have you said Yes yet?

BIB-4-71-E

What Colour is the Wind?

I suppose nearly everytime when you close your eyes, it is because you feel too tired or you want to take a nap. Otherwise, you don't want to miss for a single minute the sight of all the things around you, all the happenings in the world. Well, have you ever stopped for a moment to think how it would be like if you have eyes but cannot see?

When I was a little child, I used to be afraid of darkness because nothing seems to exist in the dark and only the sense of unknown and loneliness embrasses you. One feels completely helpless and doesn't know what to expect next. I hope the girls who are staying at the Ebenezer don't share my feeling because they are so alert to their surrounding through their well-trained ears. But still, they have missed a lot of the wonderful things in this world. With this in mind, the Jayceettes are stretching out their helping hands to these less fortunate girls and appealing for your support as well.

Perhaps I should start here by telling you something about the Ebenezer School & Home for the Blind. It was on a sunny afternoon, the 20th March, 71, that we, the Jayceettes, paid a visit to this school in Pokfulam Road. The Superintendent, Mr. Marshall, showed us the big hall where the children attend their Lutheran Services every morning. In fact there are more than one hundred children in the Ebenezer School, ranging from the age of six to eighteen. The School operates a Kindergarten, all the six grades of Primary School and three Middle Form Classes. We were told that not all of them were completely blind. Some of them have useful sight in one eye. Others have put on "false eyes" in order to make them look more beautiful. However, since all the children have been in the boarding school for several years, they know their way quite well and can move around in the school without any help. Most of us were much impressed by the facilities provided by the School such as the Music Room, Braille Typewriter, Library, Workshop, Clinic, Gymnasium and even a swimming pool.

The two blind girls that the Principal has recommended to us foradoption are Wong Sai Mui and Wong Kwan Ying. Sai Mui is at present studying in P.5 and she is the 5th position in her class. She is a very pleasant and quiet girl and very friendly with her classmates. She is totally blind and has been so since the age of one. Sai Mui was adopted by one family when she was still a baby. At the present moment her father, who is in very poor health, is out of work. The mother works in a metal factory and is earning a very small sum of money per month. Despite their poor conditions, the family are very concerned about the child and show a genuine interest in her progress.

The other girl Wong Kwan Ying is not completely blind and has useful sight in one eye. She lives with her maternal grandparents in very bad conditions. The child has very little personal clothing and her relations with the grandparents are not very happy. Under the circumstances, it is obvious that the lack of success in her school work can be largely attributed to the conditions at home and the separation from her natural family.

With the donations from the Community Chest, the School is well maintained. What the blind children need is more concern and care from people of the outside world. So if you are not blind to their need, please help them by supporting our projects.

The Jaycee Creed

We believe:

That faith in God gives meaning
and purpose to human life;
That the brotherhood of man
transcends the sovereignty of nations;
That economic justice can best be won
by free men through free enterprise;
That government should be
of laws rather than of men;
That earth's great treasure
lies in human personality;
And that service to humanity
is the best work of life.
